

Picture Collage Maker Pro 2.2.8 Build 2852

Pearl Mountain Soft Picture Collage Maker Pro, a simple-to-use Windows program that turns ordinary photos and pictures into stunning keepsakes to share with family and friends. With just a few clicks, you can create collages, scrapbooks, posters, invitations, calendars, and greeting cards. Unlike photography software that takes days to master, Picture Collage Maker lets both seasoned collagers and new hobbyists become productive in minutes. read more about Picture Collage Maker at <http://www.picturecollagesoftware.com/>
